*Want to promote your products to Asian markets?
Eager to have more knowledge of new markets?
Wonder how to make right contacts for quick access?*

This is a networking event jointly organized by BC Environment Industry Association and S.U.C.C.E.S.S. Gateway to Asia as a preparation for the China mission from October 25 to November 2, 2007. The event is to connect Canadian manufacturers and suppliers with the Asian Canadian immigrants who are interested in the environmental industry and have the knowledge, experience and connection in their home countries. Come join us to:

- Meet and mingle with Asian Canadian traders;
- Establish trading connections;
- Explore partnerships and other business opportunities.

Highlights:

COMPANY PRESENTATIONS

- A great way to introduce your products to potential Asian buyers;

MINI BOOTH DISPLAY

- An opportunity to showcase your products and services;

BUFFET LUNCHEON

- Mingle in a relaxed and dynamic environment with great food.
