Greetings!

Today marks the end of this year's programme. We resume again on Tuesday 18<sup>th</sup> September. To conclude our season, we are pleased to welcome Mr. Choong-joo Choi as our guest speaker. Mr. Choi is Consul General for Korea and is based here in Vancouver. He will speak to us about the formal and informal regulatory environment for service firms to practice in Korea. This topic will no doubt be of interest to many of you in view of the fact that Korea and Canada are negotiating a Free Trade Agreement. I shall look forward to seeing you at the CEC and don't forget to bring along a guest and a colleague from your firm.

Best wishes,

Brian Young  
Executive Director
